Environmental Information Regulations (EIR) Request

Thank you for your enquiry, received on 16 October 2020.

Your request:

Pertains to data on venting and flaring on the UKCS shared with the Climate Change Committee by the OGA.

1. The most up to date data-set held by the CCC that records the volume of hydrocarbons flared by oil and gas facilities on the UKCS.
2. The most up to date data-set held by BEIS that records the volume of hydrocarbons vented by oil and gas facilities on the UKCS.

Our response:

Please find attached with this response all of the data that the CCC holds on flaring and venting by oil and gas facilities. We advise that you contact BEIS or the OGA directly if you require further information.

If you are dissatisfied with the handling of your request, you have the right to ask for an internal review. If you are not content with the outcome of the review, you may apply directly to the Information Commissioner for a decision.

In keeping with our transparency policy, the information released to you will be published on www.theccc.org.uk. Please note that this publication will not include your personal data.

Kind regards,

Climate Change Committee
