Freedom of Information (FOI) Request on Climate Change's role in the Climate Assembly UK.

Climate Change Committee

Thank you for your enquiry, received on 03rd June 2020.

www.theccc.org.uk

Your request:

Have the CCC been consulted for advice on appropriate re-scheduled dates for COP 26 by the UK government? If so, what was the advice provided to the government by the CCC on re-scheduling COP 26 or potentially facilitating COP to happen in a different format (i.e.- remotely).

Our response:

Thank you for your Freedom of Information request on the 3rd June 2020. The CCC hasn't been asked to provide advice to the UK Government on the re-scheduled dates for COP26. The decision to postpone and set a new date for COP26 is taken by the representatives of the COP Bureau of the UNFCCC (United Nations Framework Convention on Climate Change) primarily, with the UK Government and its Italian partners.

Kind regards,

Climate Change Committee
