**Your request:**

Please provide me with the total number of electronic devices reported lost or stolen within your organisation over the last five calendar years (2021, 2020, 2019, 2018, 2017)

**Our response:**

The CCC procures its IT services from the Department for Environment and Rural Affairs (Defra) and the following response has been provided by them:

There are no lost or stolen laptops to report for CCC over the last three years. Data about official devices lost or stolen prior to 2019 is no longer available and this information is therefore not held.
