1. Conflicts of interest and minutes of previous meeting

The Committee approved the minutes of the previous meeting. There were no new conflicts of interests declared.

2. International update

The Committee reflected on the international activities of the secretariat and discussed recent international developments.

3. ZEV mandate – policy update and CCC advice

The committee approved suggested scores and messages for the transport sector assessment for the 2025 UK Progress Report.

4. 2024 provisional emissions data

The Secretariat presented insights from the provisional 2024 emissions data for the Committee's consideration.

5. UKPR preliminary results (indicators, policy assessment)

The Secretariat presented preliminary results for the delivery indicators and assessment of policy progress for the UK Progress Report. The Committee discussed these findings and provided their judgement on appropriate scores.

6. Northern Ireland Just Transition Commission

The Northern Ireland Climate Change Act (2022) requires the Northern Irish Department for Environment, Agriculture and Rural Affairs (DAERA) to set up a Just Transition Commission and seek CCC advice on the regulations defining this body. The Committee discussed the approach taken for the response to this request, as well as governance and scope considerations to include in feed back to DAERA.

#### 7. Committee discussion of future work programme

The Committee discussed ideas for potential future areas for work by the mitigation team in the Secretariat following publication of the UK Progress Report.

#### 8. AOB

No additional items were raised by the Committee.
